I think that Mr Narasimhayengar may be appointed as "General Superintendent of the Girls Schools in the Mysore Province" His supervision will extend to all schools whether they are directly under the Management of Govt or aided by them — He should not interfere in the administration of the schools, but he should visit them from time to time, & give them the advice & suggestions in regard to their improvement He may also visit villages

Educational Secy for

& try to open new
Schools, in connection
with the Educational Dept,
or propose grants in
aid.—

The ordinary supervision
of Girls Schools will be
conducted as usual
by the Inspectors
who will be directly
under the orders of the
Educational Dept

The arrangement
will not clash with
the supervision now
conducted by the Educational
Dept, but will strengthen
their Hands, as he will have
the benefit of the long
experience of Ramsay Hyde
in the line of female education.—

If we want to improve & encourage
female education
in the Upper Provinces,
I cannot conceive of
a better arrangement
than
than to entrust the

work to
Mr Narasimhayyar
to whose laudable
labors the
success of the
Maharanis School
is due —

We should be
made to submit
a report of the work
done by them once
a year through the
Educational Dept.

I would fix their
pay at Rs 250 - &
of course he can
draw his batta &
travelling allowances
when he travels on
duty —

Note

I do not like the
idea of converting
Maharani's school
into a Girls School.
If we do so, I am
sure, it will cease
to be a model
institution

Note

If the Paraoa Ferry has no objection to the Maharanga School being taken under Govt management I shall not say a word against it — but I certainly fear that if it comes under Govt management, the Paraoa Ferry will not be allowed to do as the Lakes & retrenchments will surely take place & the Psychological efficiency of the School be maintained. If we want to see the Inaha Rangi School [illegible]

to the standard of our
ordinary girls' school,
we cannot think of
a better measure, than
of taking it under Govt
Management. — I therefore
strongly deprecate
its transfer to Govt —
unless Mr Ramachandrayya
is unwilling to bear
the burden of management
any longer & recommends
its transfer. —

I have no objection
to the other proposals
in the Memo of the
Educational Secty. —

As regards the appointment
of Mr Ramachandrayya
as Supt of female education,
I have already submitted
a separate Memo. The Educational
Secy does not like the Memo
I have as he subordinate.

& he is quite right
that if Mr Karaseikyer's
duties are confined
to simply inspection
& advice, without
interfering with the
ordinary control of the
Education Dept through
her Dy Inspectors I
can see no possible
objection to her appt
Mr Karaseikyer takes
so much interest in
the cause of female
education, that I
I am sure, her appointt
will be productive
of much good & lots
of new schools will
spring up.
